Dear Woody:

I want to thank you and Sonya Selby-Wright for a terrific show on Monday. A great many people, both within the Agency and from other spots all over the country, have voiced the opinion that it was a very objective program which gave the viewer a balanced view of the CIA. We greatly appreciate having the opportunity to work with you and have great admiration for the manner in which you put all the pieces together to form such an interesting mosaic.

Please pass along my sincere thanks to David Hartman and Sandy Hill for the outstanding jobs they did in presenting the information in a manner which answered the questions we are most often asked by citizens around the country.

All of the people here at CIA who worked with your Good Morning America staff were greatly impressed with the professionalism and cooperation evident at every juncture. Please pass along my personal thanks and congratulations to all concerned for a job extremely well done.

Yours,

STANSFIELD TURNER
